## Donation Form for Music Program Sponsorship

Stillwater Design (also known as Kicker), the City of Stillwater, the Stillwater Economic Development Authority, and the Stillwater Community Center Foundation entered into an agreement in early 2022 directing the Foundation to deliver ten years of music programming on the block, upon its completion.

This generous gift from Kicker creates an outstanding opportunity for individuals, groups, and businesses to bolster the program and leverage existing program marketing. Also, Kicker Sound Stage performances in this program will move into the theater in the Stillwater Community Center when there is inclement weather. Thanks to the generous offer from the City of Stillwater--the show will go on!

If you wish to be a joint sponsor with Kicker on one or all the fourteen Kicker Sound Stage performances in any year, or you want to support the weekly Saturday Farmer's Market performances, please join us by completing the form below and follow directions for payment.

If you or your organization want to have a program or event independent of the Kicker program described above, please contact the City of Stillwater directly. The City of Stillwater owns and operates Block 34.
